

Tool Set DL-WZ-Set 5-teilig D100040

Product information sheet

*similar to image

Product Description

■ Use

The tool set contains the main pneumatic tools and covers most of the typical compressed air applications

■ Low air consumption

Due to the low air consumption, the tools can also be operated with smaller compressors

■ Content

Paint spray gun with 400ml gravity feed cup

Tyre pressure gauge with adapter kit for bicycle tyres, ball etc.

Blow-off gun

Atomizer gun for spraying various liquids such as cleaner

Spiral hose for flexible working

Tool Set DL-WZ-Set 5-teilig D100040

Product information sheet

Paint spray gun

Air consumption	100-200 l/min
Working pressure	4-8 bar
Max. permissible pressure	8,0 bar
Nozzle Ø	1,5 mm
Cap capacity	0,4 l
Weight	0,5 kg
Overall dimensions (WxDxH)	170x330x95mm

*similar to image

Blow-off gun

Max. permissible pressure	10 bar
Weight	0,14 kg
Overall dimensions (WxDxH)	130x17x145mm

*similar to image

Atomizer gun

Air consumption	150-200 l/min
Working pressure	4-6 bar
Max. permissible pressure	10 bar
Suction cup capacity	1 l
weight	0,52 kg
Overall dimensions (WxDxH)	165x400x106mm

Tool Set DL-WZ-Set 5-teilig D100040

Spiral hose

length (stretched)	5 m
Max. permissible pressure	8 bar
Inner diameter	6 mm

*similar to image

Tyre pressure gauge

Working pressure	0-10 bar
Max. permissible pressure	10 bar
Hose length	38 cm
Weight	0,360 kg
Overall dimensions (WxDxH)	170x78x200mm

Further Information

Scope of delivery	1 piece in carton with manual
Warranty	24 months for private use only 12 months for professional industrial use
